

"Meditation Circle" Bracelet

As seen in the 2009 Summer Supplement

Created by: Evette Rana

Suggested Materials:

<u>Qty.</u>	<u>Stock #</u>	<u>Name</u>
4	29-799-01	19mm round wooden connectors with 8-petal design, maple
3	21-000-153-12	16mm faceted puffed coin gemstone beads, crazy lace agate
11	37-136-7	5mm round jump rings, antiqued copper plate
3	37-722-7	2" standard eye pins, antiqued copper plate
1	39-158	Tiny cast toggle clasp, antiqued copper plate

Tools: cutters, round-nose pliers, flat-nose pliers

To make this design:

1. Add gemstone coins to eye pins and make simple loops.
2. Use jump rings to connect the components as pictured.

NOTE: The finished bracelet length is $7\frac{3}{4}$ ". For a different length, adjust the quantity of jump rings next to the toggle bar.

To make nice loops on head or eye pins:

1. String selected beads on the head or eye pin.
2. Keep about 8mm ($\frac{1}{3}$ ") of wire. Cut off any extra.
3. Use round-nose pliers to grasp the wire just above the bead (at the arrow), and bend sharply away from you.
4. Now use small round-nose pliers to grasp the tip of the wire, and bend it smoothly around the pliers down close to the beads.

Jump-ring hint:

When you open and close jump rings, twist sideways instead of "ovalling" them. This keeps their shape better, which makes them easier to close all the way.
