Tools: Scissors, chain-nose pliers, Bead Fix™ adhesive (#60-242)

To make these designs:

1. Cut three pieces of cord: one 19" piece, one 22" piece, and one 26" piece.
2. Slide one bail onto each piece of cord.
3. Insert cord ends into the center-crimp tubes and crimp using chain-nose pliers.
4. Add a small amount of seed beads to the glass vial and secure the vial lid with Bead Fix™ adhesive.
5. Use jump rings to attach charms, crystal, heart, and glass vials, as pictured.

Jump-ring hint:

When you open and close jump rings, twist sideways instead of "ovalling" them. This keeps their shape better, which makes them easier to close all the way.
