To make this design:

1. Create a wrapped loop at one end of the wire, to attach one half of your clasp (see Figure 1).
2. Slide beads onto the wire in the following order:
3mm, 4mm, 5mm, curved tube, 3mm, gold foil, 4mm, green foil, 4mm, gold foil, 3mm, curved tube, 3mm, 5mm, 4mm, 3mm.

TIP: Before creating the final coil end of the bracelet, check the fit and make sure it rests loosely around your wrist.
