- **Make into a pin** by wiring a #38-201 5/8" bar pin to the back of the project, directly behind the bodice. This will hide the wire nicely.
- **Glue a magnet** to the back using #30-570 round magnet or #30-590 rectangular magnet. Try epoxy for gluing.
- **Turn into an ornament** by making a loop at the top using wire. Or, attach a #34-223 Ear Wire for an easy way to hang!
- **Give your mermaid jewels!** String a tiny pearl bracelet or necklace using #27-221 2.5mm Imitation Pearls.
- **Add flowers and beads to her hair** by stringing in assorted flower beads when stringing beads for hair.
- **Have her hold a charm:** Sea Shell- #44-430, Starfish- #443437, Sea Horse Charm-#44-436, or a Fish- 44-417.
